

ResearchFish

- **How do I create an account on Researchfish**

If you don't recall doing this process last year, you may need a new account. Joining Researchfish is by invitation only. Please contact me on katherine.shepherd@psych.ox.ac.uk to ask to have an e-mail sent to you in order to set-up an account.

If you're unsure if you have an account, please visit here:

<https://app.researchfish.com/helpwiz/invite>

- **How can I add an outcome to an award on ResearchFish?**

Please see this guide: <https://userguide.researchfish.com/add-outcomes.html>

- **What counts as an outcome? How do I know which category it belongs to?**

See PDF attached to this e-mail.

- **Can I nominate a delegate to help me with adding outcomes to awards on ResearchFish?** Yes you can, after you and they have been set-up with accounts - please see this guide: <https://userguide.researchfish.com/add-delegate.html>

- **If a single output (e.g. a publication) has arisen from two different awards/funders, should it be attributed to only one of them, and if so, which one?**

The outcome should be attributed to both awards – DPUK and non-DPUK.

- **Is there any support available to us in doing this?**

Yes. If you contact the Researchfish support [team at support@researchfish.com](mailto:team_at_support@researchfish.com) they will assist you in your query or arrange for the relevant member of staff to contact you, or for more immediate help please see this web page: <https://app.researchfish.com/helpwiz>

- **Any tips?**

Please look at the MRC's top tips here: <https://mrc.ukri.org/funding/guidance-for-mrc-award-holders/researchfish/2020-submission-period-top-tips/>
